It is time to plan for Christmas Poinsettia's! We are taking orders for Poinsettias through November 20th. Place your order as early as possible to ensure we reserve your poinsettias before they sell out. Pick up dates may be as early as November 20st and as late as December 20th. We will also have a huge selection of greenery and wreaths.

****Note**** We carry live Christmas trees and offer flocking and lighting services on our Christmas trees! Come pick out your favorite for your church, school, office, or home while you are here.
